|      | <b>STARTING OVER: A DVD SERIES FOR PERSONS WITH SPINAL</b>  | <b>\$ 352</b> |

|            |   |               |
|------------|---|---------------|
|            | <b>INJURY</b>   |               |
|            | <b>*Limited availability of DVD for sale, which are each Series sold separate.*</b>   | <b>\$ 110</b> |
| <b>745</b> | <b>PART I- SKIN CARE: (Available in English and Spanish)</b><br><b>Patrick Reilly, BA, Education and Media Services Department, Rancho Los Amigos National Rehabilitation Center</b><br><b>Three Rancho outpatients discuss their lives &amp; how they have learned to adjust to the ways they care for themselves &amp; “think of their skin”. Emphasis is on causes of skin breakdown, skin inspection, &amp; prevention of pressure sores, special problems &amp; patient responsibility in skin care.</b><br><b>(1990) (15 min.)</b>  |               |
| <b>748</b> | <b>PART II- AUTONOMIC DYSREFLEXIA: (Available in English &amp; Spanish)</b><br><b>Patrick Reilly, BA, Education and Media Services Department, Rancho Los Amigos National Rehabilitation Center- The importance of recognizing signs &amp; symptoms of autonomic dysreflexia &amp; taking immediate action is emphasized in this DVD. The information is given dramatically through a mock newscast format called “The Rancho Report”. The need for patient knowledge of &amp; responsibility for dealing with autonomic dysreflexia in the community is stressed.</b><br><b>(1991) (10 min.)</b> |               |
| <b>777</b> | <b>PART III- BOWEL CARE: (Available in English and Spanish)</b><br><b>Patrick Reilly, BA, Education and Media Services Department, Rancho Los Amigos National Rehabilitation Center.</b><br><b>Simple functioning of the gastrointestinal tract &amp; how it is affected by spinal cord injury is reviewed in this DVD. Nurses &amp; patients discuss how the bowel works, &amp; procedures for performing a bowel elimination program. This information is humorously presented within the format of a patient education class.</b><br><b>(1991) (10 min.)</b>                                   |               |
| <b>816</b> | <b>PART IV- DIET &amp; MEDICATION: (Available in English &amp; Spanish)</b><br><b>Patrick Reilly, BA &amp; Spinal Injury Service Nursing Advisory Committee, Rancho Los Amigos National Rehabilitation Center.</b><br><b>Presents principles of a healthy diet &amp; emphasis on the special needs of persons with spinal cord injury. Key points taking medications safely are shown. The information is entertainingly presented as nurses &amp; patients interact with a comedian.</b><br><b>(1993) (21 min.)</b>  |               |
| <b>757</b> | <b>LET’S GET STARTED</b><br><b>Donna Cressy, PT; Denise Walters, PT, Physical Therapy Department, Rancho Los Amigos National Rehabilitation Center.</b><br><b>(1991) (12 min.)</b>  | <b>\$ 100</b> |
| <b>838</b> | <b>INSTRUCTIONAL GAIT SERIES</b>  | <b>\$ 250</b> |

|     |   |        |
|-----|---|--------|
|     | <p><b>(Observational Gait Analysis book included. Use with DVD # 730)</b></p> <p><b><i>Katie Gillis, MS, PT, University of California Los Angeles. This instructional DVD for independent study emphasizes learning normal gait parameters, developing observational skills &amp; understanding how the loss of critical gait events results in deviations &amp; functional penalties. The Observational Gait Analysis book must be used as a study guide in connection with this video.</i></b></p> <p><b>PART I- PHASES AND TERMINOLOGY OF NORMAL GAIT<br/>PART II- CASUES AND PENALTIES OF GAIT DEVIATIONS<br/>PART III- DEVELOPMENT OF OBSERVATIONAL SKILLS</b></p> <p><b>1993) (30 min.)</b></p> |        |
| 857 | <p><b>ADVANCED WHEELCHAIR TECHNIQUES</b><br/><b><i>Brian Arakaki, PT</i></b></p> <p><b>(25 min.)</b></p>  | \$ 150 |
